

Global Communications foreseen!

- The Bible prophesies that the entire world will “see” certain events unfold: *“And their dead bodies will lie in the street of [Jerusalem]...Then those from the peoples, tribes, tongues, and nations will see their dead bodies three-and -a-half days...”* (Revelation 11:9-10; also Rev. 17:8)
- The invention of the television and the deployment of global satellite networks during the 20th century allow news to travel the world at the speed of light for the first time ever.
- Only since the 1990’s has this been feasible!
